## Brown Square Park Festival Site Plan

Wednesday, January 20, 2010, 7:00 pm  
City Council Chambers  
30 Church Street, Rochester, N.Y.

The City of Rochester, Department of Neighborhood and Business Development retained the services of Norris Design to prepare a feasibility study related to the development of an enhanced festival site at Brown Square Park.

The purpose of this meeting is to:

- present the site analysis, key findings and concept designs
- obtain public comment on concept designs
- discuss next steps

Draft elements of the study and a video tour of the park are on our web site at:
